Yes, the iPod is officially dead, but Astell&Kern's new Kann Max might satisfy your need for a dedicated music device -- if you can stomach the price.

THE WILD SIDE ARE YOU READY TO TAKE A WALK? Alasdair Masters is in a rut. He just hit forty, has been nearly celibate for the past year, and his life has turned into a daily sequence of lonely patterns that revolve around avoiding human contact. His tidy life is turned on its head when a hot young blonde at the gym that's been pseudo-stalking him decides to rock his world. A very young blonde. Way, way too young for him. The problem is, he can't seem to tell her no, and she just keeps coming back for more. It doesn't help that he's ninety percent sure she's a criminal, and still, he can't seem to turn her down. What is a dull introvert to do when a chaotic cyclone that oozes sexuality comes twisting into his life? At first, he thinks she'll give him a heart attack, but after his twenty-year marriage ended a year ago, he's been a little lost, and when she comes crashing into his life, he realizes that he's never felt more alive. Is a walk on the wild side just what he needs to get his life on track or a disaster in the making? Is it possible for someone that much younger to be just what he needs, or is she a fortune hunter, as everyone keeps telling him? Is it his hormones telling him that the mysterious younger woman is the one, or could it be more? This book is intended for readers 18 and up.

In 1946, Elizabeth Taylor -- then fourteen and a major star at MGM -- published a book about her pet chipmunk, Nibbles. With wit, charm, and remarkable skill, she related the adventures and mishaps of her high-spirited friend. She and Nibbles were virtually inseparable during the shooting of National Velvet and other films; in fact the chipmunk almost got to appear in Courage of Lassie -- but he was so well behaved that he didn't look real, and his scene was cut! Recounted here are such stories as the happiest birthday of her life, when she was given King Charles, the horse who was called The Pi in National Velvet, because only Elizabeth could ride him.

Prepare Early...Score Higher Completely revised and small enough to fit in a lab coat pocket, this review of Pediatrics features 500 questions with answers and explanations, including 200 new questions in clinical vignette format. All questions are reviewed by recent USMLE Step 2 test-takers.

The first edition of Spelling Through Phonics was published in 1982. Since then, over 300,000 copies have been sold. This 30th Anniversary Edition, is available in the same compact, easy-to-use format that teachers want. It contains: the McCrackens' original spelling instruction program an explanation of phonemic awareness and why children need to acquire it detailed instructions on how to teach spelling--easily, quickly, and efficiently methods to organize children's spelling practice within the school day reproducible spelling checklists for grades 1-3 This 30th Anniversary Edition is dedicated to the memory of The McCrackens' teaching, and honours their invaluable contributions to language arts across North America.

☐Becoming lean and fit is not a matter of training for a few weeks, like Rocky, to become a world champion. That only happens in Hollywood movies that portray professional athletes exercising for hours every day until they are exhausted. Real athletes never do that. They train only to the point that they can recover for the next day s training. Their progress comes in small increments, not heroic triumphs. Unfortunately, movies have persuaded people that they can become lean and fit virtually overnight. Even the weight loss and fitness industry bought into this distortion and began pushing people to become like Rocky. When that approach failed, because people were injuring themselves or burning out or jumping from one program to another, trainers began to entertain their clients instead of finding solutions to their problems. If you want to become truly lean and fit, you must work at it like an athlete, following a structured routine and that is easier and more pleasant than you may expect. The principles that work for athletes also work for ordinary people of all ages. Athletes, of course, have coaches. The Happy Body program, on the other hand, will teach you everything you need to know to be your own coach. This innovative program establishes, for the first time, exact scientific and testable methods and goals to engineer your own weight loss and fitness within precise time periods. That empowers you to self-correct your progress at every step. The Happy Body is a total health program, not just an exercise or diet plan. It will teach you to safely lose 1.0 to 2.5 pounds every week, and keep them off, without getting stuck at plateaus. You will have full control over the process, right down to the ounce. In addition to teaching you how to lose weight, the program will also help you to restore the flexibility and posture you had as a young child, and to be leaner, stronger, and faster than you have ever been. In essence, The Happy Body program will not only make you as youthful as you were at twenty, but twenty as you would have been if you had followed the program at that age.

(Paperback Songs). Now you can carry over 100 of your favorite worship tunes with you wherever you go!
