ABC (America-born Chinese), Charlie's entire world has been limited to this small area. Now grown, she lives in the same tiny apartment with her widower father and her eleven-year-old sister, and works—miserably—as a dishwasher. But when she lands a job as a receptionist at a ballroom dance studio, Charlie gains access to a world she hardly knew existed, and everything she once took to be certain turns upside down. Gradually, at the dance studio, awkward Charlie's natural talents begin to emerge. With them, her perspective, expectations, and sense of self are transformed—something she must take great pains to hide from her father and his suspicion of all things Western. As Charlie

As Pa insists on treating his ailing child exclusively with Eastern practices to no avail, Charlie is forced to try to reconcile her two selves and her two worlds—Eastern and Western, old world and new—to rescue her little sister without sacrificing her newfound confidence and identity.

It started very small and full of hope. But its daring campaigns have placed Fairtrade goods at the heart of the supermarket shelves. From bananas and coffee beans to cotton and chocolate, Fairtrade has grown to become an important global movement that has revolutionised the way we shop. As Harriet Lamb, Chief Executive of Fairtrade International, explains in this extensively revised and updated edition of her inspirational book, Fairtrade is about a better deal

for workers and farmers in the developing world. It's about making sure the food on our plates, and shirts on our backs, don't rob people in other countries of the means to feed or clothe themselves. She explores the journey, through an often unjust system, that Fairtrade items make from farm to consumer. And she uncovers the shocking cost of our demand for cheaper food. There is much still to be done. But by hard work and high ideals, Fairtrade is starting to transform the lives of over 7 million farmers, workers and their families, and is a powerful symbol of how extraordinary change can be achieved against all the odds - by us all.
