Here are some of the things I did that helped me change my life: I stopped drinking. Yes, I know you have heard it all before. But seriously if you really want your life to be different, take a break from the booze. One year is best, but any time out is good. The happiest people I know don ' t drink. I got to know myself. Do you really know who ...

How I sorted my life out... - Henpicked

Now that you've put your immediate environment in order and made some room, it's time to initiate a few new customs in your life. Write down a list of things that you've only just heard about (e.g., healthy eating, sports, meditation, etc.) and take tiny steps on the road to discovering them. That last point is important.
