~~The Devouring / Review~~ **Soulstice The Devouring 2 Simon**

While The Devouring was only slightly scary, in Soulstice Simon Holt ups his game in a big way by making it a scarier and more thrilling read. The one thing that really won me over with this was the action packed plot. Since, there was always some new twist and turn to come into action and more was told and explained about the Vours.

Soulstice (The Devouring, #2) by Simon Holt

The terrifying, nail-biting, and grossly intriguing sequel to The Devouring. It's been six months since Reggie first discovered and fought against the Vours, malicious and demonic beings that inhabit human bodies on the eve of the Winter Solstice.

Soulstice (Devouring, book 2) by Simon Holt

5.0 out of 5 stars The Devouring: Soulstice - Grab it! Buy it! Love it! Reviewed in the United States on December 1, 2009. Verified Purchase. Having been sucked in by sheer originality and smoky creepiness of The Devouring, I find it hard to believe that Simon Holt could top himself in a second book. He does.
