Free Spanish Worksheets to Help You Learn Numbers Learning to count in Spanish is a good first step in learning the language. These free Spanish worksheets will help you learn your numbers in Spanish to make everything from counting money to finding streets easier.

Most textbooks are written for teachers. This one is written for students. Carefully crafted by a professional Spanish tutor after years of working one-on-one with students of all ages and ability levels. Caitlin Cuneo has taught Spanish to Olympic athletes, District Attorneys, fashion models and many others! Specifically designed for students who struggle in a traditional classroom setting; new students of Spanish; and students who need a refresher from their high school or college Spanish days. We listened to your feedback! The No Nonsense Spanish Workbook 2nd edition contains: Expanded answer key now included Active vocabulary learning activities Chapter quizzes to test your learning Over 20 creative writing activities Take-it-Apart Grammar practice sections to improve reading comprehension Insightful verb charts Teaching and practice activities designed to address the specific areas in which students often struggle Bonus holiday activities! Have you tried other Spanish textbooks, workbooks, computer programs or apps and found that they don't work as promised? Don't give up. Here's why this book is different: Teaching and practice activities designed to address the specific areas in which the students often struggle. Designed to help you or your child develop a deeper understanding of how the Spanish language works. Tried and tested with real students to ensure that the activities are effective and easy to understand. Developed carefully and intentionally over time, not by a large textbook publisher. No flashy advertising or false promises. The most successful Spanish learners have many tools in their toolbox. This workbook will be a fantastic addition to your Spanish learning toolkit. It gives students a solid foundation of grammar and the underlying structure of the Spanish language. This allows students to incorporate new vocabulary and concepts more efficiently, and to handle curveballs that may be thrown at them in the classroom or in the Spanish-speaking world. Learning a language is a complex and challenging process. Don't be fooled by products that promise to make you fluent. It simply doesn't work that way. But don't be discouraged. Millions of people in this world speak more than one language, and you can too. With this workbook, the proper accompanying tools and some hard work and dedication, you will be well on your way to becoming a Spanish speaker!

Brighter Child Spanish for Grade 1 helps students master beginning foreign language skills. Practice is included for learning color words, animal words, family words, and more. School success starts here! Workbooks in the popular Brighter Child series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

This text is designed for learners who have achieved basic proficiency and wish to progress to more complex language. Each of the units combines concise grammar explanations with examples and exercises to help build confidence and fluency. Features include: clear explanations of the similarities and differences in English and Spanish grammar authentic language examples from a range of contemporary media reading comprehensions at the end of each unit full cross-referencing throughout extra tips on language learning and learning specific grammar points. Suitable for students learning with or without a teacher, Intermediate Spanish, together with Basic Spanish form a structured course in the essentials of Spanish grammar.
