Meet the dog-and-cat duo taking outdoor adventure to new heights. Henry and Baloo are a real-life dog/cat sibling pair, based in Colorado, whose unconventional friendship has won the hearts of humans worldwide. Whether they're scaling mountains or cozying down in a tent, these two are never far from each other's side and always ready for their next trek. Wanting to share their explorations with friends and family, photographer and the pair's proud owner, Cynthia Bennett, began capturing Henry and Baloo on their outdoor adventures—with vivid colors and stunning backdrops surrounding them in every shot. Now never-before-seen photos and untold stories are compiled in a book for fans to enjoy. More than beautiful photography and a sweet story, *Our Wild Tails* champions friendship in the most unlikely of places and proves to readers that love is universal. Cynthia Bennett, photographer and explorer, lives in Colorado Springs, Colorado, with her dog (Henry), cat (Baloo), and partner, Andre.

A Wall Street Journal Bestseller Named a Financial Times top title How to unleash "human magic" and achieve improbable results. Hubert Joly, former CEO of Best Buy and orchestrator of the retailer's spectacular turnaround, unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business.

Back in 2012, "Everyone thought we were going to die," says Joly. Eight years later, Best Buy was transformed as Joly and his team rebuilt the company into one of the nation's favorite employers, vastly increased customer satisfaction, and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of Business*, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose, put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in human magic. *The Heart of Business* is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.

compound that will irradiate the Jihadi Bin Laden forces in Afghanistan caves. Alfred Monk became friends with Christie after meeting on Matchmate.com and a spark of romance ensued afterward. Alfred is a programmer for Tech One software and is working on the Netrosia project and doesn't know it. When Christie takes a flight to London to finalize the missile deal and put it into action with the Air Force the Continental flight that she was on was bombed by terrorists. Onboard was Senator Douglas Eisenhower whose body was found dead in the Atlantic. Christie's body was never found. With the help of Angelica and Tony who retrieve Alfred from questioning at the NYPD Alfred believes Christie is still alive and will stop at nothing to find her. This book has Army Rangers storming in on a Saudi compound, Navy Seals diving to the ocean floor to end the Jihadi threat to the US and a speech by Barak Obama. There is also tons of humor on just about every page as well as some romance not on every page but good stuff none the less. Overall it is a great adventure ride till the last page of the book so enjoy I know I did writing it. This book examines what if the next attack from Osama Bin Laden's followers is worse than 911?
