St John Mary Vianney grew up in a France devastated by the tragic events of the Revolution, and went on to become perhaps the most remarkable parish priest the Church has ever known. This book tells the story of his life - and how what was once a bleak rural parish became a centre of international pilgrimage.

Jean-Baptiste-Marie Vianney, T.O.S.F., (1786 – 1859), was a French parish priest who is better known as the Curé d'Ars. He became internationally notable for his priestly and pastoral work in his parish because of the radical spiritual transformation of the community and its surroundings. He is venerated in the Catholic Church as a saint and as the patron saint of all priests.

Saint Jean-Baptiste Marie Vianney, known affectionately as The Curé d'Ars, was a peasant priest. In the aftermath of the French Revolution and Napoleonic rule, in a time of anti-clericalism and social and economic disarray, he was appointed parish priest of the obscure and dispirited village of Ars. Over the next forty years, he was the agent of a complete spiritual, social, and material reform of his parish, which became a joyful refuge and a place of pilgrimage. Men and women would travel for weeks simply to confess before the humble and holy man. His particular devotion to the Blessed Sacrament is manifest in this book of twenty-seven meditations, which had its first English edition two years before his canonization in 1925. St. John is now celebrated as the patron of parish priests.

Sermons of St. John Vianney St. Jean-Marie Vianney was born in 1786 at Dardilly, France. After being drafted, leaving the army, and opening a school for village schoolchildren, he joined the minor seminary of Verrieres in 1812 and was ordained a priest three years afterward. While famously serving as cure of the town of Ars, he saw to it that his parishioners understood their evil pastimes, spending long hours in the confessional at a time. St. Vianney died at Ars-sur-Formans, France, in 1859, and was declared a saint by Pope Pius XI in 1925. His feast day is celebrated on August 4.

St. John Vianney Skit This booklet is 5.25" x 8." It is a skit about the life of St. John Mary Vianney. It is mainly for children's presentation about St. John Vianney. It is very simple and easy to use, and can be performed with very little rehearsal time. It has a small number of cast with two narrators, so that the actors will not have to memorize any lines. It is a good skit used for schools and faith formation programs. It is a good way to celebrate the feast day of St. John Vianney on August 4.

MY NAME is John, and I have been dead since August 4, 1859. How happy I am! For my soul is in Heaven. Yes, for eternity I am privileged to see God. . .

For endless eternity I enjoy a happiness that is beyond the power of mere words to describe. And nothing can ever take this happiness from me! Or from my friends—the millions of men and women and boys and girls who are with me in Paradise! For the joy we have is everlasting. It is eternal. God has said so, and of course He cannot lie. It was not easy to win this joy. When a soul comes into the world, the Devil tries very hard to drag it down to Hell. So it was with nearly everyone who is in Heaven today, the chief exceptions being those who died shortly after Baptism—babies and very small children. But I—well, my life on earth lasted for more than seventy-three years, and many, many times during that period the Devil tried to discourage me in my efforts to please God and to win the place which He had prepared for me in Paradise. Did he succeed? Of course not. And why? Because of the wonderful courage God gave me whenever I called upon Him. For in my day (even as in any day) whenever there was a temptation to do wrong, to go over to the Devil's side and give up the struggle to win Heaven, God was always ready with His grace. Since He wills that every soul in the world shall someday enjoy the good things of Heaven, naturally He does not withhold the means to obtain them. But what a pity that so few people understand this, and that when trials and temptations come they never think of asking God for the grace to remain true to Him. Because of such neglect, the struggle against the Devil is generally far harder than it needs to be. Many times, alas, it even ends in defeat—in Hell, with all its terrible darkness and misery and pain. My struggle to outwit the Devil and to win Heaven (although it was some time before I really understood about such things) began on May 8, 1786, in Dardilly, a village not far from the city of Lyons, in France. My parents, Matthew Vianney and Maria Beluse, already had three children: Catherine, Jane and Francis. But they were delighted to have still another, and on the same day that I was born I was taken to the village church to be baptized. Here I was given two names: John, in honor of Saint John the Baptist, and Marie (the French form of Mary) in honor of the Blessed Virgin. "I wonder what little John Marie Vianney will be when he grows up?" some of the neighbors asked one another thoughtfully. "He seems to be a fine, strong boy."

St. John Vianney, the famous Cure of Ars, is the patron saint of all parish priests. Interest in this great saint is always high, but even more because Pope Benedict XVI declared the Year of the Priest and held up John Vianney as the role model for this special year to honor the priesthood. Father Miller has taken many groups of priests and seminarians on pilgrimage to Ars, France, and there he has preached retreats on the life and ministry of Saint John Vianney. This work is based on his many years of personal experience at Ars, and the impact he has seen that the holy Cure has made on those who go there and learn from his inspiring life and work. These beautiful reflections focus on various aspects of the life of Vianney and the way he lived out his priesthood in the aftermath of the French Revolution - a very difficult time for Catholic priests in France. This book reveals that specific Grace of Ars - the unique movement of God that drew hundreds of thousands of people to Ars during his life there to receive the sacrament of reconciliation from Vianney and find peace with God and neighbor. The book will help anyone make a pilgrimage to the very place where St. John Vianney labored so long and so heroically for the good of souls and the love of God - and often in direct battle with Satan. The reader will have the experience of making a retreat in the presence of the saintly Cure, and be able to ponder the Grace of Ars, and especially what he has to say to Priests of the 21st century - another difficult time for those who seek to be faithful to their promises to God and build up the Church of Christ. This work will strengthen priests and seminarians in their vocations and help young men hear the call of Christ to follow him as priests. Laymen will find in this reflection on St. John Vianney a model parish priest who will inspire all to love the priesthood and pray for the sanctification of all priests, and through his holy example the Cure of Ars will help all understand that the priesthood is the love of the Heart of Jesus.
