Swing music is a form of jazz that developed in the United States in the 1930s and 1940s. The name came from the emphasis on the off-beat, or weaker pulse. Swing bands usually featured soloists who would improvise on the melody over the arrangement.

Swing music - Wikipedia

Swing is sometimes considered a partial dilution of the jazz tradition because it organized musicians into larger groups (commonly 12 to 16 players) and required them to play a far higher proportion of written music than had been thought compatible with the fundamentally improvisatory character of jazz.
