Täge Frid Teaches Woodworking (Joinery / Shaping ... Frid is best known for his three-volume work, "Täge Frid Teaches Woodworking". Some editions of which are published as the first two volumes in one, the third is still separate (Frid's own classic European-style workbench is detailed, in a revised and corrected version, in the third edition of this essential series):

Täge Frid - Wikipedia Täge Frid (1915-2004) is a well-known furniture maker, designer, and teacher, and served as a contributing editor to Fine Woodworking magazine from issue #1 through #171. He is also the author of the classic series of books Täge Frid Teaches Woodworking, published by The Taunton Press. A native of Denmark, Frid apprenticed to a master craftsman named Gronlund Jensen beginning at the age of 13.

Täge Frid - FineWoodworking When building my Täge Frid inspired Scandinavian workbench I spent a lot of time looking at examples of Frid's benches - some early extant examples in person, his Fine Woodworking article on his bench (FWW Issue #4, October 1975), the chapter in Täge Frid Teaches Woodworking Volume 3 and various online searches.
