Taming The Elements Elwin Escari

On the far reaches of colonized space, a lone colony goes dark. As the rest of the Commonwealth struggles to rebuild after the last war, a battleship of the Navy investigates the colony. What they fin ...

A young man, Elwin, seeks to become an elemental. But with war looming and an accident that could cost him his freedom, Elwin finds himself fleeing for his life and evading the Guardians of Life. The Guardians think Elwin guilty of the most grievous of crimes, and as he trains the gifts of his bloodline, he will discover a secret from long in his past.

The Inquisitives are the "private eyes" of the Eberon world, solving murders with magic and steel. A diplomat has been murdered and an innocent man has been accused. An up-and-coming young Inquisitive is brought in to solve this high-profile case, but corruption, money,

and power stand in her way.

After a long journey, Jax finds himself abandoned far from home in the desert nation of Kalicodon. When any infraction to tribal honor will land him in chains as a slave, he must learn quickly to adapt in a foreign land in hopes of maintaining his freedom. In his struggles to liberate Daren from slavery, he meets Jesnia, a woman from his homeland, who has hunted fugitives from justice to the eastern edge of the desert. Without his own cunning and her talents, Jax may very well meet his end, fighting for his life in the arena.

In a story set within the smoldering forges of the Cauldron, Rhapsody uses her singing talents and the help of Achmed the Snake and his friend Grunther to reach Sagia, the great tree that enables them to journey 1400 years into the future.

"A lucky few find gold at the end of a rainbow. One man will find a chance at redemption." Kade Hollander is a worthless whoremongering drunk wandering medieval England at the turn of the twelfth century. When a mysterious sentient sword appears at the end of a rainbow and tells Kade he only has days to live, his simple life of solitude becomes a desperate struggle for survival. With the aid of a talking toad, a sultry witch, and the magic sword, Kade must battle his way to the land of the dead to find the only hope of restoring his health. Caught between a haunted past, rekindling lost love, and remaining sober long enough to find a cure, Kade's life truly begins when it's about to end. The Rainblade features violence, gore, nudity, and sexual content. It is intended for a mature audience.

Daniel Benhannon has finished building his cabin near the peak of Mount Tannakonna and is ready to leave home and invite Val Terrance to be his wife. But the simple life he hopes for is changed forever when he inadvertently casts a spell so powerful it draws the attention of the Grand Maestro of Aakadon and the dark Maestro Tarin Conn. The two powerful foes sense a change in the balance of power and both of them intend for it to be in their favor. Daniel wants nothing to do with either faction but must learn to master his newly discovered potential before the forces sent looking for him destroy his family and friends and every person living in the remote village of Bashierwood. But to master his potential he must learn from an Accomplished. To save the village he must accept help from Talented sent by Efferin Tames, or surrender to Tarin Conn. To seize control of his life he must set his priorities and arrange his chores accordingly.

From USA Today bestselling author David Dalglish The Underworld rules the city of Veldaren. Thieves, smugglers, assassins. . . they fear only one man. In book #1 of the Shadowdance series, Thren Felhorn is the greatest assassin of his time. All the thieves' guilds of the city are under his unflinching control. If he has his way, death will soon spill out from the shadows and into the streets. Aaron is Thren's son, trained to be heir to his father's criminal empire. He's cold, ruthless -- everything an assassin should be. But when Aaron risks his life to protect a priest's daughter from his own guild, he glimpses a world beyond piston, daggers, and the iron rule of his father. Assassin or protector; every choice has its consequences. Fantasy author David Dalglish spins a tale of retribution and darkness, and an underworld reaching for ultimate power.

What happens to politics when it takes the form of theatre? How has theatre both exploited and undermined politics both in society and on the stage? Theatre & Politics explores the complex relationship between theatre and politics, questioning some of the assumptions that often arise when they are brought together. Challenging ideas about 'entertainment' and 'communication',

the book draws on a broad range of key writing from Plato to Rancière, and theatrical examples from Shakespeare and his adaptors through Peter Handke to debbie tucker green.

Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions. It assesses how much we really know about this period, and asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

This new kind of dictionary reflects the use of “rhythm rhymes” by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.
