The Cantos, collection of poems by Ezra Pound, who began writing these more or less philosophical reveries in 1915. The first were published in Poetry magazine in 1917; through the decades, the writing of cantos gradually became Pound's major poetic occupation, and the last were published in 1968. The complete edition of The Cantos (1970) consists of 117 sections.

The Cantos - Ezra Pound Society

Cantos III-VII take place in the Mediterranean, where Pound draws on classic mythology and the Renaissance in order to portray themes of clarity and light. These cantos are indicative of Pound's Imagist style. Cantos VII-XI tell the story of Sigismondo Pandolfo Malatesta, a 15th century poet and patron of the arts.

The Cantos Project - Home

Pound began work on The Cantos in 1915, and the first three Cantos were published in Poetry magazine in 1917. Over the ensuing decades, Pound would rewrite the beginning to the poem, and The Cantos would follow various threads. The most celebrated of these are the Pisan Cantos, which Pound began following his arrest in Italy in May 1945, and his detainment in the American Disciplinary Training Center just north of Pisa.

Canto I by Ezra Pound | Poetry Foundation

Pound's need to change society, to battle against usury and to take example from those who lived the right way - Confucius, the Byzantines and the Sacred Edict of K'ung Hui. And to change ourselves. `Pull down thy vanity' is not the only beautiful introspective line in this maze of quotations.

The Cantos Of Ezra Pound: Amazon.co.uk: Pound, Ezra: Books

Ezra Weston Loomis Pound was an American expatriate poet, critic and intellectual who was a major figure of the Modernist movement in early-to-mid 20th century poetry. Pound's The Cantos contains music and bears a title that could be translated as The Songs—although it never is.

The Cantos of Ezra Pound by Ezra Pound - AbeBooks

VIII-XI Though we are ignorant about many matters in Pound's work, at least one point has gradually attracted a substantial consensus: the decisive event in the formation of The Cantos ocured when Pound composed the Malatesta Cantos in 1922 and 1923. This event marked a catalytic moment.

The Cantos Project - Malatesta (VIII-XI)

Ezra Pound, Italy and the Cantos comes from the pen of one of the foremost Pound critics. Massimo Bacigalupo grew up in Rapallo, Pound's long-term home. His parents were friends of Pound's and ...

The Tragedy of Ezra Pound | The American Conservative

In Canto LXXXIII, Pound departs from the previous cantos in which he writes about earth and air and refocuses on images of water and light. In one particular passage, Pound speaks out against the death sentence and cages for wild animals. Pound uses Chinese characters and Greek words, as he has in past cantos.

Ezra Pound: Poems "The Cantos LXXIV - LXXXIV: Pisan Cantos ...

So begins Ezra Pound in 1917. Calling on the ghost of Robert Browning, educating his reader on his motives as he embarks on his personal epic, The Cantos, a "poem to include history," is Pound's "tale of the tribe." Pound would continue to hector, harangue, and attempt to enlighten his readers by supplementing his serial masterwork in eight additional volumes over the course of the next fifty-two years.

The Cantos of Ezra Pound is the most important epic poem of the twentieth century.

The Companion is a major contribution to the literary evaluation of Pound's great, but often bewildering and abstruse work, The Cantos. Available in a one-volume paperback edition for the first time, the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years. The Companion contains 10,421 separate glosses that include translations from eight languages, identification of all proper names and works, Pound's literary and historical allusions, and other exotica, with exegeses based upon Pound's sources. Also included is a supplementary bibliography of works on Pound, newly updated, and an alphabetized index to The Cantos.

At last, a definitive, paperback edition of Ezra Pound's finest work.

Excerpt's from Pound's long poem designate his own choice of the basic elements in his life's work

In this essential guide to one of the most difficult yet rewarding poems of the twentieth century, William Cookson (who began corresponding with Pound as a schoolboy in 1957) draws on a deep and intimate knowledge of Pound's life and work. This edition incorporates much new information and has been substantially revised and expanded. William Cookson gives lucid critical overviews to the various sections of the poem, clarifying its purpose and structure and explaining the views on literature, history and economics that inform Pound's poetry. His detailed commentary on each canto addresses the major stumbling-blocks for readers by translating foreign phrases, identifying quotations and explaining allusions.

"Pound spent most of his life in Italy and wrote about it incessantly in his poetry. Only by following his footsteps, acquaintances and composition processes can we make sense of and enjoy his forbidding Cantos. This study provides for the first time an account of Pound's Italian wanderings and of what they became in his work. After this study we will be able to read Pound as a guide to the places, people and books he loved, and we will share the poet traveler's joys and discoveries"--

Ezra Pound transformed his style of poetry when he wrote The Adams Cantos in the 1920s. But what caused him to rethink his earlier writing techniques? Grounded in archival material, this study explores the extent to which Pound's poetry changed in response to his reading of 17th-century American History and the social climate of the pre-war period. Drawing on the Ezra Pound papers, David Ten Eyck documents the changes to Pound's documentary techniques, establishing a chronology of the composition of The Cantos. His close readings of specific passages, set against the interwar years, allow Ten Eyck to gain insights into Pound's 1930s political and social criticism. Through references to the annotated copy of The Works of John Adams, he explores Pound's engagement with Adams at the expense of Thomas Jefferson: a figure formally at the heart of his previous work. Ultimately, this contextual and archival study uses John Adams and America to unlock the fascist beliefs and the later poetry of Ezra Pound.

This casebook provides a selection of key criticism, including an article newly translated into English, on the Cantos of Ezra Pound. The introduction positions the poem within Pound's corpus, contextualizes the contributions included and outlines their arguments, and concludes with suggestions for how the student may best approach this troubled and fascinating artifact. The selected articles maintain a high level of immediate contact with the Cantos, with the intention of preparing students for reading individual cantos on their own. Contributors discuss the nature of many of the successive major blocks of work, allowing the Pound newcomer to experience the poem as an irregular progression, varying greatly in its qualities. The first selection discusses "Canto I"; subsequent selections discuss, successively, major elements from "Canto II", the Draft of XXX, the China Cantos, the Pisan Cantos, and Drafts and Fragments. As a whole, the collection elucidates the personal and historical shifts that profoundly impacted Pound and consequentially produced the changing fusions of technique and matter in the Cantos. It also shows some of the huge variation in critics conceptions of the poem, or poetry itself, and of what it meant to be a poet and citizen of the West during the half-century in which the Cantos were written.
