The theory of evolution, or Darwinism, comes in handy at this point by completing the jigsaw puzzle. It provides the myth that materialism is a scientific idea. However, that basis is rotten.

Modern scientific discoveries reveal over and over again that the popular belief associating Darwinism with science is false.

ABOUT THE
AUTHOR

A special chapter is assigned to the collapse of the theory of evolution because this theory constitutes the basis of all anti-spiritual philosophies. Since Darwinism rejects the fact of creation- and therefore, Allah's existence-over the last
