Philosophy, education. Published. 1987, Fayard. Published in English. 1991. Pages. 148 (English) The Ignorant Schoolmaster: Five Lessons in Intellectual Emancipation is a 1987 book by the philosopher Jacques Rancière on the role of the teacher and individual towards individual liberation. Rancière uses the example of Joseph Jacotot, a French teacher in the late 18th century who taught in Belgium without knowledge of their language (Flemish), to explain the role of liberation after Marxism.

The Ignorant Schoolmaster - Wikipedia

The title "The Ignorant School Master" stems from the displacement of this professional. The word "Ignorant" here is put to argue against the hierarchy of intelligences that are considered necessary in modern classrooms, in contrast to that this book argues for a certain equality of intelligences between the student and teacher that the word "Ignorant" grasps.
