## The Indian Clerk ms - David Leavitt

Based on the remarkable true story of the strange and ultimately tragic relationship between an esteemed British mathematician and an unknown and unschooled mathematical genius, and populated with such luminaries such as D. H. Lawrence, Bertrand Russell, and Ludwig Wittgenstein, *The Indian Clerk* takes this extraordinary slice of history and transforms it into an emotional and spell-binding story about the fragility of human connection and our need to find order in the world.

story about our need to find order in the world. In 2016 a film, *The Man Who Knew Infinity*, inspired by the same life on which this book is based, was released, starring Dev Patel and Jeremy Irons.

Set against the rise of fascism in 1930s Europe, *While England Sleeps* tells the story of a love affair between Brian Botsford, an upper-class young English writer, and Edward Phelan, an idealistic employee of the London Underground and member of the Communist Party. Though far better educated than Edward, Brian is also far more callow, convinced that his homosexuality is something he will outgrow. Edward, on the other hand, possesses "an unproblematic capacity to accept?? both Brian and the unorthodox nature of their love for each other-until one day, at the urging of his wealthy aunt Constance, Brian agrees to be set up with

Yorkers all, has gathered to recover from what they consider the greatest political catastrophe of their lives. They have just sat down to tea when their hostess, Eva Lindquist, proposes a dare. Who among them would be willing to ask Siri how to assassinate Donald Trump? Liberal and like-minded-editors, writers, a decorator, a theater producer, and one financial guy, Eva's husband, Bruce-the friends have come to the countryside in the hope of restoring the bubble in which they have grown used to living. Yet with the exception of one brash and obnoxious book editor, none is willing to accept Eva's challenge. Shelter in Place is a novel about house and home, furniture and rooms, safety and freedom and the invidious ways in which political upheaval can undermine even the most seemingly impregnable foundations. Eva is the novel's polestar, a woman who moves through her days accompanied by a

roving, carefully curated salon. She's a generous hostess and more than a bit of a control freak, whose obsession with decorating allows Leavitt to treat us to a slyly comic look at the habitués and fetishes of the so-called shelter industry. Yet when, in her avidity to secure shelter for herself, she persuades Bruce to buy a grand if dilapidated apartment in Venice, she unwittingly sets off the chain of events that will propel him, for the first time, to venture outside the bubble and embark on a wholly unexpected love affair. A comic portrait of the months immediately following the 2016 election, *Shelter in Place* is also a meditation on the unreliable appetites-for love, for power, for freedom-by which both our public and private lives are shaped.

Set in the 1980s against the backdrop of a swiftly gentrifying

Manhattan, *The Lost Language of Cranes* tells the story of twenty-five-year-old Philip Benjamin, who realizes he must come out to his parents after falling in love for the first time with a man. Philip's parents are facing their own problems: pressure from developers and the loss of their longtime home. But the real threat to the family is Philip's father's own struggle with his suppressed homosexuality, realized only in Sunday afternoon visits to gay porn theaters. Philip's revelation to his parents leads his father to a point of crisis and provokes changes that forever alter the landscape of the family's lives.

When Bruce Duffy's *The World As I Found It* was first published more than twenty years ago, critics and readers were bowled over by its daring reimagining of the lives of three very different men, the philosophers Bertrand Russell, G. E. Moore, and Ludwig Wittgenstein. A brilliant group portrait with the vertiginous displacements of twentieth-century life looming large in the background, Duffy's novel depicts times and places as various as Vienna 1900, the trenches of World War I, Bloomsbury, and the colleges of Cambridge, while the complicated main characters appear not only in thought and dispute but in love and despair. Wittgenstein, a strange, troubled, and troubling man of gnawing contradictions, is at the center of a novel that reminds us that the apparently abstract and formal questions that animate philosophy are nothing less than the intractable matters of life and death.
