The Narrative of John Smith (2011) is a novel written in 1883 by Arthur Conan Doyle, published posthumously by The British Library. In a work of narrative fiction, Doyle writes from the perspective of a middle-aged bachelor named John Smith recovering from rheumatic gout.

The Narrative of John Smith—Wikipedia

John Smith, perhaps Conan Doyle's vision of himself as an older man, is confined to his room by gout; the narrative consists of his reflections on life and his conversations with his doctor, his neighbours, his landlady, and the local curate - characters who are depicted with a lively authenticity.

The Narrative of John Smith—Amazon.co.uk: Arthur Conan—

More a series of ruminations than a traditional novel, The Narrative of John Smith is of considerable biographical importance and provides an exceptional window into the mind of the creator of Sherlock Holmes. Through John Smith, a fifty-year-old man confined to his room by an attack of gout, Conan Doyle sets down his thoughts and opinions on a range of subjects—including literature, science ...

The Narrative of John Smith—Conan Doyle—Arthur—

The Narrative of John Smith is a novel written by Arthur Conan Doyle. Conan Doyle reported that the manuscript of his original novel was lost in the mail, and the story was never published. However, he has re-written the story (between 1884 and 1893). The British Library purchased that manuscript at the auction of the Conan Doyle archives in 2004.

Nonfiction Book Review: The Narrative of John Smith by Arthur Conan Doyle. Edited and with an introduction by Jon Lellenberg, Daniel Stashower, and Rachel Foss. British Library, \$15%C2%A0 (138p)..

Nonfiction Book Review: The Narrative of John Smith by—

Via the protagonist, John Smith, a 50-year-old man confined to his room by an attack of gout, Conan Doyle sets down his thoughts and opinions on a range of subjects – literature, science, religion, war and education – making it a novel of considerable biographical importance. While it is more a string of ruminations than a fully developed novel, The Narrative of John Smith is, nevertheless ...

The Narrative of John Smith—Kindle edition by Doyle—

The Narrative of John Smith is not a mystery or an adventure story and does not include Holmes or Watson. Conan Doyle later described it as having a “personal-social-political complexion” and it certainly has a semi-autobiographical flavor.

A New York Times Notable Book and aSan Jose Mercury News Top 20 Nonfiction Book of 2003In 1606, approximately 105 British colonists sailed to America, seeking gold and a trade route to the Pacific. Instead, they found disease, hunger, and hostile natives. Ill prepared for such hardship, the men responded with incompetence and infighting; only the leadership of Captain John Smith averted doom for the first permanent English settlement in the New World.The Jamestown colony is one of the great survival stories of American history, and this book brings it fully to life for the first time. Drawing on extensive original documents, David A. Price paints intimate portraits of the major figures from the formidable monarch Chief Powhatan, to the resourceful but unpopular leader John Smith, to the spirited Pocahontas, who twice saved Smith ’s life. He also gives a rare balanced view of relations between the settlers and the natives and debunks popular myths about the colony. This is a superb work of history, reminding us of the horrors and heroism that marked the dawning of our nation.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

"The Story of Pocahontas and Captain John Smith" by E. Boyd Smith. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

In this interdisciplinary work, William L. Davis examines Joseph Smith's 1829 creation of the Book of Mormon, the foundational text of the Latter Day Saint movement. Positioning the text in the history of early American oratorical techniques, sermon culture, educational practices, and the passion for self-improvement, Davis elucidates both the fascinating cultural context for the creation of the Book of Mormon and the central role of oral culture in early nineteenth-century America. Drawing on performance studies, religious studies, literary culture, and the history of early American education, Davis analyzes Smith's process of oral composition. How did he produce a history spanning a period of 1,000 years, filled with hundreds of distinct characters and episodes, all cohesively tied together in an overarching narrative? Eyewitnesses claimed that Smith never looked at notes, manuscripts, or books—he simply spoke the words of this American religious epic into existence. Judging the truth of this process is not Davis's interest. Rather, he reveals a kaleidoscope of practices and styles that converged around Smith's creation, with an emphasis on the evangelical preaching styles popularized by the renowned George Whitefield and John Wesley.

A New York Times Notable Book of 1996 It was in tolling the death of Supreme Court Chief Justice John Marshall in 1835 that the Liberty Bell cracked, never to ring again. An apt symbol of the man who shaped both court and country, whose life “reads like an early history of the United States,” as the Wall Street Journal noted, adding, Jean Edward Smith “does an excellent job of recounting the details of Marshall's life without missing the dramatic sweep of the history it encompassed.” Working from primary sources, Jean Edward Smith has drawn an elegant portrait of a remarkable man. Lawyer, jurist, scholars; soldier, comrade, friend; and, most especially, lover of fine Madeira, good food, and animated table talk: the Marshall who emerges from these pages is noteworthy for his very human qualities as for his piercing intellect, and, perhaps most extraordinary, for his talents as a leader of men and a molder of consensus. A man of many parts, a true son of the Enlightenment, John Marshall did much for his country, and John Marshall, Definer of a Nation demonstrates this on every page.

"A new selection from the national epic of India. Originally composed in Sanskrit sometime between 400 BC and 400 AD, The Mahabharata—with one hundred thousand stanzas of verse—is one of the longest poems in existence. At the heart of the saga is a conflict between two branches of a royal family whose feud culminates in a titanic eighteen-day battle. Exploring such timeless subjects as dharma (duty), artha (purpose), and kama (pleasure) in a mythic world of warfare, magic, and beauty, this is a magnificent and legendary Hindu text of immense importance to the culture of the Indian subcontinent."—Publisher's description.

Winner of the Stowe Prize Winner of the NBCC Prize for Nonfiction This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and activism continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, How the Word Is Passed illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

Storytelling has come of age in the business world. Today, many of the most successful companies use storytelling as a leadership tool. At Nike, all senior executives are designated "corporate storytellers." 3M banned bullet points years ago and replaced them with a process of writing "strategic narratives." Procter Gamble hired Hollywood directors to teach its executives storytelling techniques. Some forward-thinking business schools have even added storytelling courses to their management curriculum. The reason for this is simple: Stories have the ability to engage an audience the way logic and bullet points alone never could. Whether you are trying to communicate a vision, sell an idea, or inspire commitment, storytelling is a powerful business tool that can mean the difference between mediocre results and phenomenal success. Lead with a Story contains both ready-to-use stories and how-to guidance for readers looking to craft their own. Designed for a wide variety of business challenges, the book shows how narrative can help.
* Define culture and values
* Engender creativity and innovation
* Foster collaboration and build relationships
* Provide coaching and feedback
* Lead change
* And more
Whether in a speech or a memo, communicated to one person or a thousand, storytelling is an essential skill for success. Complete with examples from companies like Kellogg's, Merrill-Lynch, Procter Gamble, National Car Rental, Wal-Mart, Pizza Hut, and more, this practical resource gives readers the guidance they need to deliver stories to stunning effect.
