Lu Xun (Lu Hsun) is arguably the greatest writer of modern China, and is considered by many to be the founder of modern Chinese literature. Lu Xun's stories both indict outdated Chinese traditions and embrace China's cultural richness and individuality. This volume presents brand-new translations by Julia Lovell of all of Lu Xun's stories, including 'The Real Story of Ah-Q', 'Diary of a Madman', 'A Comedy of Ducks', 'The Divorce' and 'A Public Example', among others. With an afterword by Yiyun Li.

While echoes of Lu Xun's short stories can still be heard in fictional works from both sides of the Taiwan Strait, "The True Story of Ah Q" has become an intrinsic part of the Chinese vocabulary. This edition contains the Chinese version and an English translation, along with an introduction.

This book is one of the masterpieces of Modern Chinese Literature. The story is written in the backdrop of China in 1921. It is a story of Ah Q, a symbolic representative of China, who is caught in some uncanny events. Hsun has portrayed an urban life with all its peculiarities. The collision between hard realities of life and sweet dreams gives the book a pragmatic touch. Appealing!

Selected Stories of Lu Hsun - The True Story of Ah Q is an episodic novella written by Lu Xun, first published as a serial between December 4, 1921 and February 12, 1922. It was later placed in his first short story collection Call to Arms in 1923 and is the longest of the stories in the collection. The piece is generally held to be a masterpiece of modern Chinese literature, since it is considered the first piece of work fully to use Vernacular Chinese after the 1919 May 4th Movement in China. Lu Xun or Lu Hsun (Wade-Giles), was the pen name of Zhou Shuren (September 25, 1881 – October 19, 1936), a leading figure of modern Chinese literature. Writing in Vernacular Chinese as well as Classical Chinese, Lu Xun was a novelist, editor, translator, literary critic, essayist, and poet. In the 1930s he became the titular head of the League of Left-Wing Writers in Shanghai. Lu Xun's works exerted a substantial influence after the May Fourth Movement that began around 1916. He was highly acclaimed by the Communist regime after 1949, and Mao Zedong himself was a lifelong admirer of Lu Xun's works. Though sympathetic to communist ideas, Lu Xun never actually joined the Chinese Communist Party. Like many leaders of the May Fourth Movement, he was primarily a leftist and liberal.

This edition of Lu Xun's Chinese classic A Madman's Diary features both English and Chinese side by side for easy reference and bilingual support. The Lu Xun Bilingual Study Series includes a study guide and additional materials for each book in the series. Published in 1918 by Lu Xun, one of the greatest writers in 20th-century Chinese literature. This short story is one of the first and most influential modern works written in vernacular Chinese

and would become a cornerstone of the New Culture Movement. It is the first story in *Call to Arms*, a collection of short stories by Lu Xun. The story was often referred to as "China's first modern short story". The diary form was inspired by Nikolai Gogol's short story "Diary of a Madman," as was the idea of the madman who sees reality more clearly than those around him. The "madman" sees "cannibalism" both in his family and the village around him, and he then finds cannibalism in the Confucian classics which had long been credited with a humanistic concern for the mutual obligations of society, and thus for the superiority of Confucian civilization. The story was read as an ironic attack on traditional Chinese culture and a call for a New Culture. The English translation is provided courtesy of the Marxists Internet Archive.

Ah Q Archaeology concretely situates Lu Xun's critique of national character vis-a-vis metanarratives of nationalism and modernity through a close examination of his works in their historical context. Paul B. Foster uses a discursive approach to tie together Lu Xun's major theme of national character critique and its fate in China's tumultuous twentieth century.
