The Renegade Writer: A Totally Unconventional Guide to Freelance Writing Success (The Renegade Writer's Freelance Writing series) by Linda Formichelli , Diana Burrell ISBN 9781933338002 (978-1-933338-00-2)

Written by two freelancers who broke the rules to win the game, this handbook contains a wealth of information for writers who are frustrated by the seemingly limited ways to operate in the freelance market.

A suite of appendixes cover topics such as contract procedures, getting paid, services for freelancers, generating ideas, and doing research.

As an introvert and a writer, you feel stretched to choose between the lesser of two evils - marketing to people who'll most likely criticize you, or putting your writing on the back burner. Introverts have strengths that make them marketable, creative, and successful. Forget those people who tell you to change, to put on a different personality, to dance like a monkey before crowds. Here is the support to be a writer and remain who you care to be . . . genuine. *The Shy Writer Reborn: An Introverted Writer's Wake-up Call*, is the guide to being yourself and being a writer who can be successful, without changing who you are. Learn tricks for book signings, speaking, submitting, interviewing, and more. Pick up mantras to remind yourself how to deal with the situation you're in. *The Shy Writer Reborn* is the new bible for the writer seeking to remain true to himself while establishing his profession . . . successfully. "If you're a shy writer looking for both inspiration and practical how-to advice, C. Hope Clark's *THE SHY WRITER REBORN* is the operations manual for you; filled with tips on a range of issues facing introverted authors, Clark's engaging work offers assistance with everything from blogging to self-promotion to holding a successful book signing to finding your authentic voice, all while honoring your deep need for solitude in which to write." -- Kelly L. Stone, author of *TIME TO WRITE: No Excuses, No Distractions, No More Blank Pages* (Adams Media) "Shy types, rejoice! Introversion may seem like a major obstacle to building a successful writing career, but this wonderful covers-all-the-bases book handily debunks the notion. The only bad news? You'll have no more excuses not to succeed! Highly recommended." Peter Bowerman, Author, "The Well-Fed Writer" series, [www.wellfedwriter.com](http://www.wellfedwriter.com) "The number one thing that holds writers back is fear. For introverts -- who, ironically, are drawn to writing because they think you can do it alone -- the fear is even bigger. Interviews, book signings, public speaking -- many of the tasks of a freelance writer demand that you be social and perform. But don't fret -- Hope has solutions in *The Shy Writer Reborn* that let you make the most of who you are instead of asking you to change your personality." Linda Formichelli, owner of *The Renegade Writer Blog* (<http://www.therenegadewriter.com>) and co-author of *The Renegade Writer: A Totally Unconventional Guide to Freelance Writing Success* "I love *The Shy Writer Reborn*! As a self-diagnosed introvert, I know the fears of many writers who are literally afraid to follow their passion and be successful. C. Hope Clark shares how to overcome that fear while navigating interviews, pitches, queries, and more. She even finishes the book with a great set of mantras! If you're a shy writer, this is the book that will help you find and cultivate an audience for your writing." -Robert Lee Brewer, Senior Content Editor, *Writer's Market* "Hope Clark has done an incredible service for authors by writing *The Shy Writer Reborn*. She guides you through the steps to overcome fears and finally get a book out of your head and on to paper. This book will help a lot of would-be authors realize their dreams. Highly recommended!" Stephanie Chandler, author of *The Nonfiction Book Marketing Plan: Online and Offline Promotion Strategies for Serious Authors*, [www.StephanieChandler.com](http://www.StephanieChandler.com)

This convention-defying follow-up to *The Renegade Writer* ensures that freelance journalists get the assignments they want more quickly and for better pay with the right query letter. Successful freelancers and the editors that buy their work share their advice on pitching the perfect story with real examples that earned great assignments from major magazines. Fresh, spunky, and fun to read, this handbook favors a proven renegade approach that gets freelancers more work for more money in less time and with less stress.

If you've always dreamed of making a living as a writer, this book will take you where you want to go. *Starting Your Career as a Freelance Writer, Second Edition*, demystifies the process of becoming a writer and gives aspiring writers all the tools they need to become successful freelance writers, get their names in print, and start earning a healthy income from writing. Completely revised and updated, the second edition includes an entirely new section on the "online writer," discussing how to set up your own website, whether you need a blog, how to effectively participate in social networking sites, and information on electronic publishing, POD and more. New chapters provide guidance on writing for international markets and other writing opportunities such as ghostwriting, speech-writing, technical writing, copyediting, teaching, etc. This indispensable resource walks writers through the process of developing marketable ideas and then finding appropriate markets for those ideas. It includes effective tips on how to set writing goals; make time for writing; hone research and interview techniques; create outlines and first drafts, approach editors (online and offline), and prepare and submit material. Writers will also discover the vital business issues of freelancing such as rights and contracts, plus how to manage income, expenses, and taxes. Author Moira Allen has more than 30 years experience both as a freelance writer and as an editor; her tips come from a keen understanding of what works from both sides of the desk. Whether readers are looking to support themselves as full-time freelancers or supplement an existing career, no one wanting to make money as a writer can afford to be without this book.
