External Power vs. Authentic Power. Zukav argues in *The Seat of the Soul* for a new kind of evolution, a spiritual evolution of our species instead of a physical one. The terminology he uses is that we are evolving from five-sensory to multi-sensory beings. As five-sensory beings, we strove for mastery over the world around us, the things we could see, hear, smell, taste and touch.

"The Seat of the Soul" is a personal guide to that transformation. A summary might go like this: your soul picks aspects of itself that desire growth and healing, and then incarnates into a physical form having those aspects.

The anniversary edition of this beloved bestseller is celebrated in Prefaces by Oprah Winfrey and Maya Angelou and contains a new Foreword by the author, website links, and a new Study Guide to help readers find even deeper meaning and fulfillment. The Seat of the Soul encourages you become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations. Beginning with evolution, Gary Zukav takes you on a penetrating exploration of the new phase humanity has entered: we are evolving from a species that understands power as the ability to manipulate and control—external power—into a species that understands power as the alignment of the personality with the soul—authentic power. Our evolution requires each of us to make the values of the soul our own: harmony, cooperation, sharing, and reverence for Life. Using his scientist's eye and philosopher's heart, Zukav shows us how to participate fully in this evolution, enlivening our everyday activities and all of our relationships with meaning and purpose. The Seat of the Soul has sold millions of copies around the globe, and as it changes lives, more and more people begin to live by the values of the spirit. Indeed, a new world is emerging, and this book brings its message to you.

Explores a new phase of human evolution that reflects a growing understanding about authentic, spiritual power based on cooperative beliefs and a reverence for life.

In THE SEAT OF THE SOUL, Gary Zukav brilliantly set forth his concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of 'authentic power'. Then, in SOUL STORIES, he revealed how such concepts as intuition, harmony, sharing and forgiveness actually express themselves in other people's lives. And now, in THE HEART OF THE SOUL, Zukav, together with his coauthor and spiritual partner, Linda Francis, takes the next important step in showing us how to actually apply these crucial concepts in our daily lives. Zukav reveals how true emotional awareness can transform the human experience. Although it is challenging and difficult, because it means becoming aware of suppressed pain, it is also enormously rewarding. But first the determination to explore every aspect of consciousness, and to cultivate those that contribute the most to life, must replace the desire to bury painful emotions. Ultimately emotional awareness can free us from the compulsions, fixations, obsessions and addictions that block our spiritual development - among them anger, workaholism, perfectionism, obsessive eating, alcohol, drugs, sex - and allow us to live a fulfilling and meaningful life. THE HEART OF THE SOUL will be a revelation for readers - a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power. It is a book to read not once, but several times, for it is a life-changing work that can transform our lives for the better.

"The author of the legendary #1 New York Times bestseller The Seat of the Soul shows us step-by-fascinating-step how to create a life of love and where that now leads"--

Soul to Soul, the eagerly awaited new book from world-renowned inspirational teacher and philosopher Gary Zukav, marks a significant step forward in the evolution of his work. Beautifully written, it is comprised of two parts. The first section, 'Soul Subjects' consists of over 60 brief but enormously compelling and profound stories of people's lives that embody the 'felt experience', offering insights and wisdom that are truly meaningful. The second section, 'Soul Questions' combines psychological insight and deep spirituality, providing fascinating answers to well over 100 fundamental questions about the true essence of human existence that will be of enduring value to readers. Written with maturity of voice and with compassion, it is a landmark new title in the field of spiritual intelligence.

The Journey Toward Authentic Power Thoughts from the Seat of the Soul is a beautiful collection of carefully chosen excerpts from Gary Zukav's celebrated bestseller The Seat of the Soul. Slip this lovely little book into your purse or bag and take it with you wherever you go. Turn the pages as you are drawn -- you can be inspired every day or once an hour, or you can meditate on your favorite thought all month. Use it as an oracle, or to stimulate deeper insight, joy, and appreciation of your life and the lives of others. This powerful volume is for those who are growing in consciousness and for those who want to. It is the perfect gift for someone you love or for yourself.

In his bestselling book, THE SEAT OF THE SOUL, Gary Zukav's driving concept was 'multi-sensory perception', an innate sense that allows people to experience the world beyond the five senses, to listen harder to who they are and ultimately to save one's life. Now in SOUL STORIES, Gary Zukav brings this concept and many others vividly alive, with marvellous true stories of how they manifest themselves in individual lives. This book is enormously practical in the way the author builds on each specific story to a discussion of its application to the reader's needs, leading to a deeper understanding of authentic power and inner peace. And best of all, it is wonderfully readable and even more accessible than THE SEAT OF THE SOUL.

In his first major book since the legendary bestseller *The Seat of the Soul*, Gary Zukav reveals a revolutionary new path for spiritual growth. What began with an introduction to a major paradigm shift in *The Dancing Wu Li Masters* turned into a discussion of aligning our personalities with our soul in *The Seat of the Soul*; finally, in *Spiritual Partnership*, Zukav guides the reader on this practical path to authentic power.

In *Soul to Soul*, Gary Zukav addressed some of the most fundamental questions about the human experience, with profound answers that are of truly universal value. Now with *Soul to Soul Meditations*, Zukav provides 365 inspirational excerpts, one for each day of the year, with each page opening up new insights for reflection. The perfect gift for somebody you love or for yourself, the book is small enough to fit into a handbag, and take with you wherever you go. Think of these meditations as doorways through which soul to soul communication can enter your life and transform it. This lovely collection of meditations can be read independently of *Soul to Soul* or used as a companion piece.

Anger. Pain. Longing. Fear. Despair. These are all negative emotions we tend to try to keep at bay and pretend don't exist. And yet bestselling author Gary Zukav, who has been working in the field of emotions for over a decade, suggests we should and can bring these unmentionables out of the closet and deal with them. Not to do so is like trying to prevent water flowing downstream. You can dam it for so long, but then it's likely to flood. Hence the prevalence of road rage, stress, alcoholism and various other addictions in our society. Now, in *THOUGHTS FROM THE HEART OF THE SOUL* the authors offer a collection of meditations to help us understand our emotions and live healthily and happily in harmony with them. Both a companion piece to *THE HEART OF THE SOUL* and a stand-alone book that offers insight into who we are and all that we can become, this enlightening compilation of reflections and meditations will be cherished by readers for years to come.
