Written by one of the UK's leading careers experts and bestselling author of The Interview Book, this definitive guide to questions and answers encourages every job-hunter to think on your feet and express your individuality whilst supplying ideal responses to interview questions so that you're seen as the ideal candidate for the job.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Social media is a powerful, mandatory tool for the job world. Illustrating its fullest potential

ABOUT THE BOOK Reviews "I recommend this book as a 'must read' for college graduates." -- Bettie Corbin Tucker-bookreviewers.org "Human Resources would do itself a favor by presenting each new hire with a copy of this book."--Edward Halebian, Television Executive "Following the advice in this book at the start of your career will give you a 'leg up' on your competition." -- Scott Braverman, former Merrill Lynch Financial Advisor "I would highly recommend this book as a resource to students who want to succeed in their future careers." -- Stanford University Senior This isn't just another book...it's one of the best handbooks to have when you get into trouble or need ways to improve in many contexts of corporate life.--NVS, Computer Scientist Product Description The second edition (2012) of the popular career advice book, From Graduation To Corporation, is a comprehensive guide to success in the workplace and is specifically tailored to college students and recent college graduates. It is an invitation to the "Millennials" (Generation Y) to go inside the head of a corporate veteran. By examining the thought processes of a senior executive and learning from his experiences, recent college graduates can be better prepared to narrow the gap between their expectations and the expectations of their supervisors. This edition contains additional information on job search websites, social networking websites, college career centers, career fairs, dining etiquette, and the different generations in the workplace. Other key areas to career success include tips on resumes/cover letters, networking, interviewing, dealing with difficult people, dating at work, how to act in meetings, dress codes, how to stay organized, how to ask for a promotion/raise, Internet/email/telephone etiquette, and Andy's 73 "Corporate Commandments." What makes this book unique is that the author not only gives us his refreshingly honest account of his climb up the corporate ladder, but also discusses his fall from the top rungs. After working for the same two bosses in the same department of a major television and motion picture studio for over twenty years, Andy Teach found himself on the unemployment line. Find out what he did right and what he did wrong so that you can reach the top rungs of the corporate ladder . . . and stay there!

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the "Best Place to Work" award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, EntreLeadership principles!
