The Toyota Carina line of large family cars was introduced in Japan in 1970. It was introduced in Europe in 1971, with A40 and A60 series subsequently appearing soon after their introductions in Japan. In 1984, the A60 series Carina was replaced in the European market by the "Carina II" - essentially a rebranding of the T150 series Toyota Corona launched the previous year in Japan, with some ...

Haynes offers the best coverage for cars, trucks, vans, SUV's and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

Describes basic maintenance procedures and shows how to make repairs

Chilton's original line of model-specific information covers older vehicles. Each manual offers repair and tune-up guidance designed for the weekend for the weekend mechanic, covering basic maintenance and troubleshooting. For the hobbyist or used car owner, this information is essential and unavailable elsewhere.

Includes entries for maps and atlases.
