As the love triangle heats up in the third book, Bella must choose between her friendship with Jacob and her romance with Edward -- and her decision could change the fate of vampires and werewolves forever. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob -- knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation quickly approaching, Bella has one more decision to make: life or death. But which is which? In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic.
