In 2006, a nearly fifty-year-old Russ Rosenberg had an epiphany. For years, he had been searching for a hobby that would hold his interest. After trying Guitar lessons, shooting sports and fly fishing, Russ tapped into his lifelong passion for cool cars. A short time later, he bought a used Miata, signed up for autocross school, and eventually began road racing. In a comprehensive guide, Russ relies on his experiences as an amateur racer to provide a roadmap for beginner racers that offers time-tested wisdom on how to start in the sport, avoid costly mistakes, and secure a logical path to success. He includes valuable insight into how to choose the right car and the true cost of racing as well as entertaining racing stories for the over-forty crowd, photos, resources, and an honest opinion on the sport from his wife, Lisa. " ... A must read for anyone who is considering getting involved in racing ..." -Tony Parella, CEO, Sportscar Vintage Racing Association

Vault brings its famed journalistic, insider approach to transportation industry employers. The Guide provides business profiles, hiring and workplace culture information on top employers, including American Airlines, Airborne, Continental Airlines, Delta Air Lines, DHL, Enterprise Rent-A-Car, FedEx Corporation, Hertz, JetBlue Airways, United Parcel Service, and more.

A nostalgic tribute to one of America's forefront moving companies describes the humble mom-and-pop beginnings of its founders, Sam and Anna Mary Shoen, in an account that credits the company's professional development, its self-improvement practices, and rapid American development as the source of its successes.

MaryJane Butters' go-to guide for putting glamour into camping."Glamping, or glamour camping, one of the MaryJane's pet concepts, is about the juxtaposition of rugged and really pretty, grit and glam, diesel and absolutely darling."-The New York Times.Glamping-unleashing your inner wild while wearing a pair of fishing-lure earrings-is for every woman (or man!) who ever had a get-away-from-it-all fantasy (with a few frilly embellishments thrown in). Learn about the never-fail campfire, cooking with cast iron, how to change a flat, and much, much more. Follow the growing glamping movement at maryjanesfarm.org and nationalglampingweekend.com.Like the infamous Calamity Jane, who said, "I figure if a girl wants to be a legend, she should go ahead and be one," MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall-tent bed & breakfast, which was featured in The New York Times Magazine and Travel & Leisure as "the place to be." Legend status achieved, MaryJane lives in Moscow, Idaho, where she runs her many businesses, which include a successful organic farm, product lines, a bed & breakfast, and MaryJanesFarm magazine. This is her fourth book.

You know the old saying, "You can't take it with you when you go." So instead of putting our faith in material things that we can acquire, let's put our faith in God and focus on the things in life that money can't buy.

Tennessee has long hosted some of the United States' best big-brown-trout fisheries, yet somehow it has managed to stay under the radar. Until now. Longtime writer and flyfishing guide Don Kirk covers everything in his all new guide book the Flyfisher's Guide to Tennessee. Productive tailwaters like the Clinch River, South Holston River and Watauga River are covered in full detail, as are their tributaries and reservoirs. And Kirk goes well beyond the major drainages, deep into the Cherokee National Forest uncovering some gorgeous gems that will give up trout for days. From brook, brown and rainbow trout to bass and panfish, Kirk covers all the gamefish. Hatch charts, detailed maps, recommended flies, specialized techniques, accommodations, sporting goods and fly shops, restaurants and all other relevant information is included. Kirk gives you tips from a lifetime of flyfishing in Tennessee in this comprehensive volume. If you're ready to give the tailwater pigs a shot, or even if you just want to pluck some brookies from an idyllic mountain brook, you'll want this book. Tennessee is the next great destination - get in while you can.
