Filled with stories of successful consultants, Value-Based Fees clearly illustrates how consultants can educate their clients about value determining worth and consequent investment. Weiss's value-based fees approach is about establishing a win-win dynamic with clients, while accommodating buyers' egos and their belief that "you get what you pay for."

~~Value Based Fees: How to Charge and Get What You're Worth~~

With value-based pricing, you charge based on the value and ROI you create for your client as a result of the project. You might identify through deep conversation with a buyer that \$1.5M in value will be created for them by solving the problem they are facing. Your value-based fee for that, you decide, is \$300,000.

~~Value based Fees: How to Charge? And Get? What You're Worth~~

In terms of pricing, we believe value-based fees will be appropriate here, given the enormous value we can deliver. How about fees in the amount of 10% of the value we deliver?" Now, think about this for a second. Some of you may say, "Hey, hold on a second! That makes sense. We are going to generate \$100 million of value for this client, so we should get paid 5% or 10%. That seems reasonable." And that is what value-based fees are.

~~Why Value Based Fees Rarely Work in Consulting~~

The value-based price of Brand A's TV is \$949. To accomplish this step, marketers typically use research methods like conjoint analysis or qualitative customer interviewing. One final point about...

~~A Quick Guide to Value Based Pricing~~

The Case for Value Based Fees In the "Stubborn" Professions. Alan Weiss. Value-based fees are becoming increasingly popular with consultants, since I pioneered the movement in the early 90s with the publication of Million Dollar Consulting, now in its fourth edition, and reinforced with Value Based Fees a few years ago, now in its second edition. A "value-based fee" is a fee that is based on your contribution to the results the client achieves.
