Viva is one of the few communicative textbooks around. It features many exercises that are perfect for the total immersion class. Of course, the majority of foreign language teachers still use the old, ineffective grammar-translation method, and Viva almost implodes from all the grammar sections, but you can't fault the publisher for trying to serve two contradictory schools of language ...

VOCES DE ESPAÑA, Second Edition is a literary anthology that introduces readers to the major writers and literary movements in Spain. Designed to provide a comprehensive introduction to Spanish literature, this fascinating book helps readers see the role that literature has played in shaping the nation. The completely revised second edition contains new essays and readings by contemporary authors as well as updated exercises, biographies, chronologies, and bibliographies that are intended to reflect the creation and evolution of ideas and attitudes toward Spanish identity. A specialized website includes links to additional resources as well as information pertaining to artwork, architecture, music, and film so that readers can see the relationship between literature and other cultural manifestations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The CONECTADOS Communication Manual includes standards-based activities designed for in-class use, with an emphasis on interpersonal communication. The program is composed of 12 chapters, which can easily be divided over semesters or quarters. Core information (thematic vocabulary, grammatical structures, and functional language) is integrated into manageable pasos. The end of each chapter in the Communication Manual is comprised of four sections, which the instructor can mix and match. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students. Known for its succinct and precise grammar explanations, its presentation of high-frequency and practical vocabulary, and its overall flexibility, HOLA, AMIGOS! continues to maintain its appeal with instructors regardless of their preferred methodology. The program is designed to develop students' ability to communicate effectively in Spanish in a variety of situations as well as to strengthen cultural awareness and competence. It offers a full scope and sequence, yet is brief enough to be used effectively for a two-semester course. The eighth edition features an enhanced integration and presentation of culture and new and exciting technology components. All components are fully integrated with the flexibility to accommodate a range of scheduling factors, contact hours, course objectives, and ability levels. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Founded in a working-class neighborhood in southeast Houston in 1941, Gold Star/SugarHill Recording Studios is a major independent studio that has produced a multitude of influential hit records in an astonishingly diverse range of genres. Its roster of recorded musicians includes Lightnin' Hopkins, George Jones, Willie Nelson, Bobby "Blue" Bland, Junior Parker, Clifton Chenier, Sir Douglas Quintet, 13th Floor Elevators, Freddy Fender, Kinky Friedman, Ray Benson, Guy Clark, Lucinda Williams, Beyoncé and Destiny's Child, and many, many more. In *House of Hits*, Andy Bradley and Roger Wood chronicle the fascinating history of Gold Star/SugarHill, telling a story that effectively covers the postwar popular music industry. They describe how Houston's lack of zoning ordinances allowed founder Bill Quinn's house studio to grow into a large studio complex, just as SugarHill's willingness to transcend musical boundaries transformed it into one of the most storied recording enterprises in America. The authors offer behind-the-scenes accounts of numerous hit recordings, spiced with anecdotes from studio insiders and musicians who recorded at SugarHill. Bradley and Wood also place significant emphasis on the role of technology in shaping the music and the evolution of the music business. They include in-depth biographies of regional stars and analysis of the various styles of music they represent, as well as a list of all of Gold Star/SugarHill's recordings that made the Billboard charts and extensive selected historical discographies of the studio's recordings.

Panorama, 4th Edition is an introductory Spanish program offering 15 contemporary, thematic lessons to introduce students to an extensive view of the Spanish-speaking world. Its fresh, student-friendly approach, effective integration of video, and powerful online tools lead students to effective personalized communication.
