SALEM COMMUNITY HIGH SCHOOL HISTORY: The sport of volleyball originated in the United States. In 1895, William G. Morgan decided to blend elements of basketball, baseball, tennis, and handball to create a game for all his classes of businessmen who wanted less physical contact than basketball.

~~VOLLEYBALL STUDY GUIDE~~ ~~saalemhigh.com~~

The sport of volleyball has more participants than any other sport in the world with the exception of soccer. There are more than 800 million people worldwide who play volleyball, with an estimated 46 million participants in the United States. William Morgan, an instructor at a YMCA in Holyoke, Massachusetts, invented the game in 1895. (T he game of

Fitness Checkers Game (Pieces) Description: Physical Education is based on the development of the mind and body. Educational objectives are reached through participating in mental and physical activity. In the Physical Education classroom, students build their knowledge and level of physical fitness, explore and learn a wide variety of neuro-muscular skills, and develop responsible social behaviors that promote personal and group success.
