Legal environment is changing in the 21st century, and Cyberlaw and E-Commerce has been created to address the legal issues surrounding the Internet and Electronic Commerce in light of technological changes that have radically altered the legal realities that confront business managers. The text is designed, among other things, to prepare students to manage intellectual property. Cyberlaw and E-commerce is intended for the Legal Environment of Business course for faculty interested in additional material on e-commerce. It could also fit into courses entitled Computers, Law and Society, Internet Law, Intellectual Property Law, or Issues in E-Commerce.

A renowned Jaguar expert offers a comprehensive historical review of the highly collectable XJS series of coupes, cabriolets and convertibles with particular emphasis on quality evaluation, maintenance and upgrades. Jaguar XJS takes the reader through the 20-year history of a model series which, after a lukewarm reception in 1975 by Jaguar enthusiasts who expected a replacement for the famed E-Type, matured through many evolutions into some of the most stylish cars ever to wear the Jaguar badge, earning along the way an enviable reputation on the international motor racing scene.
