A high-profile feminist, and a mother herself, explores the question of whether or not to have children, and how having children changes the life of parents, often not for the better, in this modern world. 20,000 first printing.

We've needlessly turned parenting into an unpleasant chore. Parents invest more time and money in their kids than ever, but the shocking lesson of twin and adoption research is that upbringing is much less important than genetics in the long run. These revelations have surprising implications for how we parent and how we spend time with our kids. The big lesson: Mold your kids less and enjoy your life more. Your kids will still turn out fine. Selfish Reasons to Have More Kids is a book of practical big ideas. How can parents be happier? What can they change -- and what do they need to just accept? Which of their worries can parents safely forget? Above all, what is the right number of kids for you to have? You'll never see kids or

parenthood the same way again.

The shocking treatise that was a bestselling international media sensation upon its 2007 publication in France now makes its eagerly anticipated English-language debut. A mother of two herself, Maier makes her deadly serious, if at times laugh-out-loud-funny, argument with all the unbridled force of her famously wicked intellect. In forty to-the-point, impressively erudite chapters drawing on the realms of history, child psychology, politics, and the environment, Maier effortlessly skewers the idealized notion of parenthood as a natural and beautiful endeavour. Enough with this "baby-mania" that is plaguing modern society, says Maier, it's nothing but brainwashing. Are you prepared to give up your free time, dinners with friends, spontaneous romantic getaways, and even the luxury of uninterrupted thought for the "vicious little dwarves" that will treat you like their servant, cost you hundreds of thousands of dollars, and end up resenting you? Speaking to the still "child-free", to fellow suffering parents, and to adamant procreationists alike, No Kids is a controversial, thought-provoking, and undeniably entertaining read. Reasons to avoid having kids: "You will lose touch with your friends" "Your sex life will be over" "Children cost a fortune" "Child-rearing is endless drudgery" "Vacations will be nightmares" "You'll lose your identity and become just "mom" or "dad" "Your children will become mindless drones of capitalism" "The planet's already overcrowded" "Your children will inevitably disappoint you"

The United States is obsessed with virginity - from the media to schools to government agencies. This panic is ensuring that young women's ability to be moral agents is absolutely dependent on their sexuality. Jessica Valenti, executive editor of Feministing.com and author of Full Frontal Feminism and Yes Means Yes, addresses this poignant issue in her latest book, The Purity Myth. Valenti argues that the country's intense focus on chastity is extremely damaging to young women. Through in depth analysis of cultural stereotypes and media messages, Valenti reveals that powerful messages - ranging from abstinence curriculum to "Girls Gone Wild" commercials - place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, as opposed to values like honesty, kindness, and altruism. Valenti approaches the topic head-on, shedding light on chastity in a historical context, abstinence-only education, pornography, and public punishments for those who dare to have sex, among other critical issues. She also offers solutions that pave the way for a future without a damaging emphasis on virginity, including a call to rethink male sexuality and reframing the idea of "losing it." With Valenti's usual balance of intelligence and wit, The Purity Myth presents a powerful and revolutionary argument that girls and women, even in this day and age, are overly valued for their sexuality, and that this needs to stop.

The founder of the ChildFree Network, a national support group for childless adults, offers an exploration of parenting and not parenting, filled with information for those deciding whether or not to have children

Are you pregnant? Thinking of getting pregnant? Are you skeptical that having children will be 'the best thing that ever happened' to you? Do you want to know what it's really like to have kids? You are not alone! Before having kids, the moms you know will give you glowing reviews with the token phrases, "children are a blessing", and "life would never be the same without them". While this is true, you would be better served to get the low down on the dirty details instead. Those 'glowing' reviews only talk about the highlights. No one talks about what it's really like-how your boobs will leak when your milk comes in, that you'll wear diapers home from the hospital, or that you might cry as much as-or more than-your baby. No one tells you how to navigate life with a tiny human while you're getting little to no sleep. Those are the things

53 SHORT ESSAYS FOR BUSY PEOPLE . . . BY 49 AMAZING AUTHORS. Too tired to think? No time to read books? Zibby Owens gets it. Award-winning podcaster of *Moms Don't Have Time to Read Books* and mother of four (ages six to fourteen) compiled fifty-three essays by forty-nine authors to help the rest of us feel understood, inspired, and less alone. The authors, all previous guests on her podcast (go listen!), include fifteen *New York Times* bestselling authors, five national bestsellers, and twenty-nine award-winning/notable/critically acclaimed writers. The super short essays were inspired by a few other things moms don't have time to do: sleep, get sick, write, lose weight, and see friends. Read one a week and you'll finish the whole book in a year: accomplishment! Topics range from taking care of an aging grandmother, mourning the loss of a family member, battling insomnia, wrestling with body image, coping with chronic illness, navigating writer's block, the power of women's friendship, and more juicy stuff. You'll laugh, cry, think, and feel like you just had coffee with a close friend. If that best friend were a world-renowned author. Contributors include: Aimee Agresti, Esther Amini, Chandler Baker, Adrienne Bankert, Andrea Buchanan, Terri Cheney, Jeanine Cummins, Stephanie Danler, KJ Dell'Antonia, Lydia Fenet, Michael Frank, Elyssa Friedland, Melissa Gould, Nicola Harrison, Kristy Woodson Harvey, Joanna Hershon, Angela Himsel, Richie Jackson, Shelli Johannes, Lily King, Jean Kwok, Heather Land, Brooke Adams Law, Caroline Leavitt, Jenny Lee, Shannon Lee, Elizabeth Lesser, Gigi Levangie, Emily Liebert, Lynda Loigman, Abby Maslin, Sarah McColl, Jeanne McCulloch, Malcolm Mitchell, Arden Myrin, Carla Naumburg, Rex Ogle, Zibby Owens, Camille Pagán, Elizabeth Passarella, Allison Pataki, Lindsay Powers, Susie Orman Schnall, Susan Shapiro, Melissa T. From the *New York Times* bestselling author of *Who Thought This Was a Good Idea?* comes a fun, frank book of reflections, essays, and interviews on topics important to young women, ranging from politics and career to motherhood, sisterhood, and making and sustaining relationships of all kinds in the age of social media. Alyssa Mastromonaco is back with a bold, no-nonsense, and no-holds-barred twenty-first-century girl's guide to life, tackling the highs and lows of bodies, politics, relationships, moms, education, life on the internet, and pop culture. Whether discussing Barbra Streisand or *The Bachelor*, working in the West Wing or working on finding a wing woman, Alyssa leaves no stone unturned...and no awkward situation unexamined. Like her bestseller *Who Thought This Was a Good Idea?*, *SO HERE'S THE THING...* brings a sharp eye and outsize sense of humor to the myriad issues facing women the world over, both in and out of the workplace. Along with Alyssa's personal experiences and hard-won life lessons, interviews with women like Monica Lewinsky, Susan Rice, and Chelsea Handler round out this modern woman's guide to, well, just about everything you can think of.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a

bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

If we knew how challenging raising children was going to be, more of us would choose to be childfree. A voice of reason to those with unreasonable expectations of what parenting is all about.
