This is the final book in the Kingson Pride series and wow what an ending. Let me start from the beginning Riley found a pride and fell in love with them all. Hey have had their ups and downs. A lot of bad stuff happened to them over the series. This book showed more and how long of a game is being played.

Twenty-three year old Riley Stern has lived in Wild Junction for two years, cultivating a mediocre life that she is content with. Just content. It's nothing special, but it's hers. Then five locals move back into town after disappearing a decade before: the boys of the Kingson Estate. Brenton Kingson, Zachary Woods, Andrew Hicks, Troy and Gabe Walker. They have reputations that Riley needs to avoid, but they are sexy and powerful in ways that draw her to them. Then they tell her she's only half-human and make her an offer she doesn't want to refuse: join the pride, become part of the family, and learn everything about what she is. Too bad her body wants much more than to be part of the family. Too bad they also want more. Too bad that there is much more to this deal than any of them know. Then, terrifying family secrets are revealed. Now that they just need to stop all hell from breaking loose. *This is a Reverse Harem series with graphic scenes, mature language, and mature themes. Suitable for ages 18+*

It's the sheriff's job to protect the town. The town, however, doesn't intend to make it easy for her. It was a normal day when Tobias arrived back to Redstone, paperwork and petty disputes between the various residents of town, until it wasn't because humans were trying to attack the werewolf pack. Adalyn finds herself in the middle of a range war, and her duty as sheriff to protect Redstone becomes very literal as silver bullets start flying. She needs to make a mark and establish her authority, or the werewolves will never let her help. It's not the only war she finds herself in, either. She's in the middle of the cross fire between two factions she never thought would go to battle. Her oldest friends and her new lovers. Tensions rise and tempers snap as each man tries to defend what he thinks is his while Adalyn tries to broker peace in an attempt to stay on task and do her job. They keep looking at her to declare a winner. There's only one problem. She can't. Adalyn won't be won. She won't be fought for and claimed. And if that means she has to give them all up, she will. Witch of the Wild West is a steamy RH paranormal romance series set in the Wild West! From hellhounds to warlocks, and everything in between, jump into Adalyn's wild world and join her in following her wild heart. Expect fun adventures, hot scenes, and a feisty female lead who won't let anyone tell her what to do and won't choose between the men she falls in love with. It's all or nothing in the Wild West!

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White &

Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

Sawyer Matthews is a retired and presumed-dead assassin. Ripped from her life of shadows and secrets, she's decided to gamble it all and accept a new chapter in her life—one that may lead to a brighter future. New beginnings come with new problems, though, and she's always lived by the belief that she doesn't deserve of redemption—a painful truth Sawyer has held in her heart for years. Their first case takes the team to Texas, where members are confronted with more than just Sawyer's painful past. The team is sent to deal with a series of suspicious deaths, but end up dealing with the community's entrenched prejudices, an unregistered Magi at its heart. Nothing is what it seems as the killer enacts a deadly game of cat-and-mouse, and the team is sucked into a case even more sinister than they thought. Can Sawyer's first case with the International Magi Police Organization help her to realize she's deserving of the redemption offered? And what about her heart? Will she overcome its core of shame to learn she deserves even more than redemption? *This is an Urban Fantasy reverse harem series of full length novels where the leading lady doesn't have to choose from her romantic interests. This series will have M/M content. These books are rated for mature audiences, 18+ due to violence, language, and sexual themes. This series deals with several triggering topics including, but not limited to, suicide, child abuse, rape, and PTSD.*

Sawyer Matthews knows how to put one foot in front of the other, to keep moving while the nightmares haunt her, and her own failures taunt her. She's become a master at doing awful things with good intentions, terrible things for the sake of those who need her. She's long given up on being the hero, trying to find peace in no longer being the villain. When her past comes back and she finds herself caught by the International Magi Police Organization, she'll have to revisit her own personal hells and finally confront the very monster that made her what she is. The very monster that has already killed her once before. Will the "dead" Magi assassin Shadow finally come out of the dark to begin a fight for a redemption she doesn't believe she deserves? Or will her nightmares drag her back into the shadows that have defined her life? *This is an Urban Fantasy reverse harem series of full length novels where the leading lady doesn't have to choose from her romantic interests. This series will have M/M content. These books are rated for mature audiences, 18+ due to violence, language, and sexual themes. Mave knows where she stands in life. She's an Andinna. A member of the winged, horned, and tailed warrior race that the Elvasi Empire defeated in the Hundred Year War and then enslaved. She's a slave, and has been one for a thousand years, the personal property of the Empress of the Elvasi Empire, since the end of the War. She's a gladiator, thrown onto the sands of the Colosseum to die, though it backfired on those who wanted her dead. She's the Champion of the Colosseum, and has been for roughly nine hundred years. All of these things have marked her as an outcast among her own people. Hated, distrusted, and despised, she knows the name of her people, but not much else. But she knows where she stands. Keeping her head down and her blades sharp has carried her this far, and she refuses to acknowledge the deepest wishes she holds in her heart. Those will only get her killed. Alone, she's stood against everything they have ever thrown at her, refusing to give them what they want. What Mave doesn't know is that it's all about to change. The Gladiator's Downfall is a 129,000+, full-length novel. Age of the Andinna is a reverse harem epic fantasy series. The female lead will collect her lovers as the series progresses. There is triggering content in this series including but not limited to: abuse, violence, mature language, and sexual content. It's recommended for mature audiences.

Matchmaker Lynda Garcia arranges relationships between humans and supernaturals. Her computer system is able to discover who'll be successful in love and marriage based on her extensive research. A Transylvania vampire prince pays her millions of dollars to find a woman who can sire a half-vampire...bringing a new generation into the sunlight. But when a glitch in her system sends her name to three vampire princes, each striving to gain the throne, she's in a heap of trouble.

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Experience the final trial of an assassin once called Shadow in the conclusion to the Amazon Top 100 Bestselling series, THE REDEMPTION SAGA! Sawyer Matthews is a retired and presumed-dead assassin. Ripped from her life of shadows and secrets, she's decided to gamble it all and accept a new chapter in her life—one that may lead to a brighter future. It slipped between her fingers. At the eleventh hour, the World Magi Council took away her evidence of redemption. The one thing she truly wanted and needed to live a normal life and prove she wasn't what everyone believed. Instead, she has one journey left to make. One man to bring to justice. But her support is reeling. The men she loves are dealing with a pain she only knows too well. They're going to need to pull themselves together, look to the future, and finish this last task. She needs them and they need her as they work together on this trying and painful case as one question looms over them, casting a shadow over their days. Can Sawyer find redemption in killing the monster that made her one? This is an Urban Fantasy reverse harem series of full length novels where the leading lady doesn't have to choose from her romantic interests. This series will have M/M content.
