In 66 short insights, they reveal strategies and methods which will allow you to combine professional success with putting friends, family and happiness first. Their Efficiency Boosters will increase your effectiveness, while you'll learn all about how to avoid Time and Energy Wasters and build a New Mindset that gives you to optimism and enthusiasm needed to succeed. So wave goodbye to guiltily checking your emails on a date, or getting home when your children are already in bed - this is your route to winning on every level and having a better life.

Foreword by Bill Costello, CFO and President for QVC International, Inc.Every business student and entrepreneur should read Poker Strategies for a Winning Edge in Business. The biggest poker games in the world have nothing to do with the green felt and David Apostolico has managed to translate his intimate knowledge of poker into a valuable roadmap to more effective business practices and strategies.STEVEN LIPSCOMBFounder, President, and CEO of the World Poker TourThe principles to win at poker are the same for succeeding at business and this book hits them all.ANTONIO ESFANDIARIWorld Poker Tour winner andWorld Series of Poker bracelet winnerEver since poker proliferated along the Mississippi in the early 1800s, it has been the quintessential American game. Poker, if played correctly, embodies all of the qualities cherished in our free society including ingenuity, hard work, and perseverance. The ability to read and outwit your opponents, which is so essential to success at the poker table, is equally important in forging ahead in a capitalist society. Of course, luck is prevalent in all aspects of our lives, and anyone who has spent time in a poker room can attest to the large and random role that luck plays. How one deals with it can go a long way in determining success.In this book, experienced poker player, tournament champion, attorney, and businessman David Apostolico takes core poker philosophies and applies them to various business situations. Readers learn how to develop a poker mindset to help them in all aspects of their business lives.Apostolico, who has matched wits with the world's top professionals on the invitation only Professional Poker Tour and negotiated mergers and acquisitions on Wall Street, says there are no hard and fast rules to either poker or business success, yet the skills involved in both are extremely similar. Reading the opposition, adapting to changing circumstances, being innovative, and thinking like a winner are necessary to making a living on the felt or in the board room.Whether you are negotiating a deal, managing your finances, marketing products, running a business, or trying to climb the corporate ladder, a solid poker strategy can prove invaluable. Before you make a move in any of these areas, you should read this insightful book to learn how to play your hand for maximum strength.David Apostolico (West Chester, PA), the winner of numerous poker tournaments in Las Vegas, Atlantic City, and the burgeoning online casino scene, is the author of Tournament Poker and the Art of War, Lessons from the Pro Poker Tour, Machiavellian Poker Strategy, and three other books on poker. In the business world, Apostolico has been an attorney for law firms in New York and Philadelphia, specializing in mergers and acquisitions, public offerings, debt and equity financings, and general corporate advice. He has sat on the board of directors of numerous companies. He has also appeared on NBC's hit show The Apprentice.

Explores the domestic factors that determine the outcomes of wars

Originally published in 1995, the first edition of Managing Your Mind established a unique place in the self-help book market. A blend of tried-and-true psychological counseling and no-nonsense management advice grounded in the principles of CBTand other psychological treatments, the book straddled two types of self-help literature, arguing that in one's personal and professional life, the way to success is the same. By adopting the practical strategies that mental health experts Butler and Hope have developed over years of clinical research and practice, one can develop the "mental fitness" necessary to resolve one's personal and interpersonal challenges at home and work and to live a productive, satisfying life. The first edition addressed how to develop key skills to mental fitness (e.g., managing one's time better, facing and solving problems better, keeping things in perspective, learning to relax, etc.), how to improve one's relationships, how to beat anxiety and depression, and how to establish a good mind-body balance. For this new edition, Butler and Hope have updated all preexisting material and have added five new chapters-on sexuality and intimate relationships; anger in relationships; recent traumatic events and their aftermath; loss and bereavement; and dealing with the past.

You know the basics—now learn the pros' secrets! It is possible to win big at casinos. But to win consistently and walk out richer every time, you need more than luck and basic game smarts—you need the kind of insider knowledge that only a pro like gambling authority and casino consultant Victor H. Royer can provide. In this updated edition of Powerful Profits: Winning Strategies for Casino Games, the man the gambling houses turn to for advice puts his experience to work for you. You'll learn how to beat the casinos by attacking each game at its weakest point, giving you the maximum profit in the shortest amount of time. Discover: Updated strategies for Blackjack Powerful new strategies for Roulette, Craps, Slots, Pai Gow Poker, Let It Ride, and other popular casino games How to clean up in short-term wins instead of always relying on bankroll-consuming "long-haul" percentages Why traditional strategies like card counting no longer work on many Blackjack games and tables How to manage your profits to ensure that they stay yours And much more! Brand-new strategies even the casinos don't know about! Based on more than twenty years of research and play—including more than nine million hands of Blackjack—these methods will give you the edge that turns a serious player into a professional gambler. If you ever wanted to know how to play for profit and win, this is the book for you. 117,500 Words

Dedicated research on other systems and personal experimentation has turned a handful of notes into a comprehensive collection of potentially winning strategies. First and foremost, it is important to understanding that there is no winning system that can beat the mathematical odds that the casino has against a player. However, this book teaches you strategies to follow while in the casino, giving you a large amount of information to help you walk out a winner. These tips can benefit players of all experience levels. You will learn to think how the casino thinks, and avoid the traps they set for every player. Inside you will find the general rules for each of the main games, tips on how to approach a table, what to say to the dealers, how to handle your money, and especially a broad range of specific strategies, or "systems" for each of the games covered. This book makes the game and strategy information easy to understand and follow, as well as fun and enjoyable to read, with a bit of irreverant humor sprinkled throughout.

The most popular no-limit hold'em cash games are \$1/\$2 and \$2/\$5 live games. This book can help you become a very profitable, good player at these levels. Through a clear and easy understanding of tips and strategies, this book can not only help a beginner to learn how to play the Texas Hold'em, but also help an intermediate or advanced poker player to improve his or her skill level. All these winning tips are very practical. The play on the flop is crucial for no-limit hold'em. This book provides general guidance for the play at each different situation on the flop. For many players who are in the transition phase, advice is given to show players how to move from the \$1/\$2 to \$2/\$5 no-limit hold'em game, and vice-versa. This book also gives advice on how to play against players with different styles: loose-passive or super-aggressive, and much more. The fundamental skills of this book are for beginners and intermediate players, and the advanced skills are for experienced, advanced players. If you learn all the tips and put them into practice, you will become a better no-limit hold'em player! "Dr. Robert Shangguan is definitely a proven winning player in No-Limit Texas Hold'em cash games. You will learn a lot of valuable strategies from his book." Jack Effel, VP of International Poker Operations and World Series of Poker (WSOP) Tournament Director

During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. If You 're Not First, You 're Last is about how to sell your products and services—despite the economy—and provides the reader with ways to capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in If You 're Not First, You 're Last include: Converting the Unsold to Sold The Power Schedule to Maximize Sales Your Freedom Financial Plan The Unreasonable Selling Attitude

American voters will be empowered by this revealing, behind-the-scene expos é of the marketing strategies and tactics political candidates use to win their hearts, minds, donations, and votes. • "Promise meters" with which to evaluate candidate campaign promises and marketing strategies • Charts and tables that summarize information about political marketing, including presidential campaign slogans, political fundraising regulations, and results • Sidebars highlighting campaign quotes and calling out key points • Enlightening, chapter-by-chapter summaries of lessons learned to empower voters to resist political campaign marketing manipulation
