BFFs Marcy (aka DJ SheStorm, the butchiest straight girl in town) and Tess (aka The ConTessa, the pretty, popular powerhouse of a vocalist). But Esme's feelings for her co-MC, Rowie (MC Rohini), a beautiful, brilliant, beguiling desi chick, are bound to get complicated. And before they know it, the queer hip-hop revolution Esme and her girls have exploded in Holyhill is on the line. Exciting new talent Laura Goode lays down a snappy, provocative, and heartfelt novel about discovering the rhythm of your own truth.

You have plenty of ideas you want to put into a book, but you're stalled. Maybe you start, but can't find the time to continue. Or you're frustrated with the writing process. And when you seek advice, people tell you, "It's all about discipline," or they talk about what writing software to use. But that doesn't help you actually write your book. So you never finish your book, the world never gets the benefit of your wisdom, and you never get the benefits of being an author. Isn't there an easier way? Now there is. In "The Book In A Box Method," Tucker Max and Zach Obront show you the exact steps you can follow to go from idea to finished manuscript, in an easy, quick way -- even if you're not a writer. Using the same methods, processes, and templates that they use for their authors at their company, Tucker and Zach show you exactly how to: Crystallize your book idea Create your book outline Create all the content for your book Edit that content into a great manuscript With "The Book In A Box Method," you'll be able to write a better book - in less time - than you ever thought possible.
